***** Strategy Meeting for Trustees in Brussels, 3-4 February 2009 *****

All Trustees and co-opted persons of LUPUS EUROPE met in Brussels in February to discuss the future of the group. A full two day program led to a clear and structured Strategic Plan. Together with Fiona Duncan from *Think Consulting Solutions*, the Trustees managed to put a clear vision, mission, core values and time planning on paper. The Strategic Plan will be sent to all members soon and the content will be discussed during the next annual convention in Strasbourg, September 2009. LUPUS EUROPE is very grateful for the opportunity UCB gave us to have this meeting.
